

## USG Lead for International Development & Humanitarian Assistance

**5 Regions, 100 Countries**

- Saving lives
- Reducing poverty
- Strengthening democratic governance
- Helping progress beyond assistance

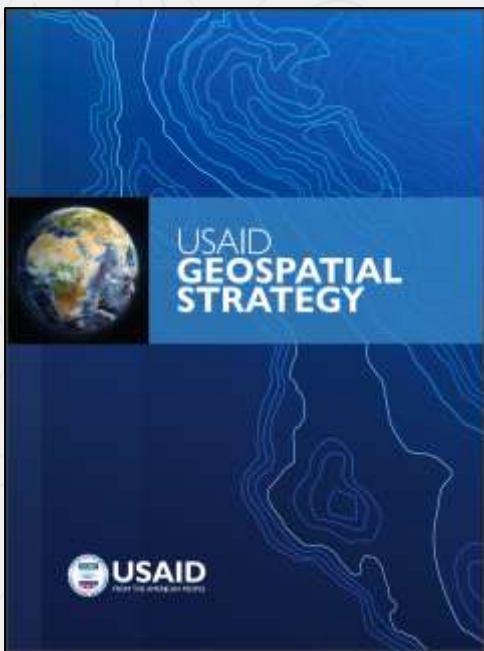

**Carrie Stokes**

**Chief Geographer & GeoCenter Director**

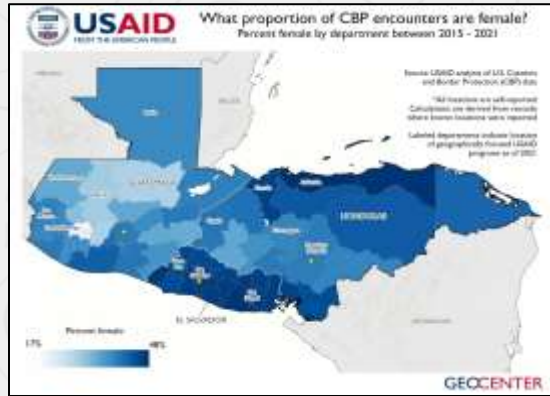

# Geospatial Data & Tools Help USAID Target Where to Invest

***VISION:*** *A geographic approach empowers USAID and our partners to apply all forms of data to more effectively advance development and humanitarian assistance outcomes*

# Examples of the Geographic Approach

*Mapping & Analysis*

*Remote Sensing*

*YouthMapper*
